A PART OF CANADA'S FABRIC.

We're built for a life of service, and so are our trucks.

Acres Emergency Vehicles is owned and operated by Green Acres Colony, a Hutterite community located 30 minutes outside of Brandon, MB. As with most colonies, nearly all members of our team are members of the colony, and we have a bond as strong as family. Additional team members include Professional Engineers, Engineering Technologists and Accountants.

OUR CORE VALUES

Our Commitment to Excellence

[Learn More](#)

Firefighter-Driven Design

Take a walk around one of our trucks and see for yourself – every aspect of the design is meant for firefighters in action.

Manufacturing Integrity

One of our mottos is, "Build once and do it right." Build it for a 'life of service,' no compromise!

Personal and Professional Service

Innovation in Every Detail

We're here to serve. We guarantee personal and professional service every step of the way.

Experience the cutting-edge advancements that define our services and set us apart in the industry.

OUR TRUCKS

Acres Truck Standard

All Acres Fire Apparatus Units are NFPA-1901 adherent and we are CWB certified. Acres is committed to being held accountable to the highest standards of production and performance.
